

Right Angle type, High current Socket pin

- Socket pin right angle to wire
- Space saving
- Mating/unmating, Easy Circuit exchange

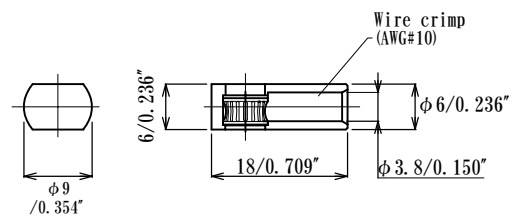

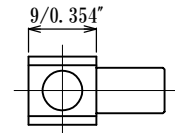

φ5.0mm/0.197" Right Angle Socket

UJ50-RA-L18-CRMP

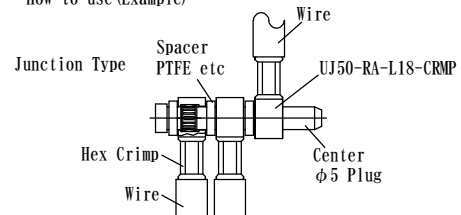

Current Rating : 25A at 25°C

Acceptable plugpin
: φ5.0mm/φ0.197" Dia.

How to use (Example)

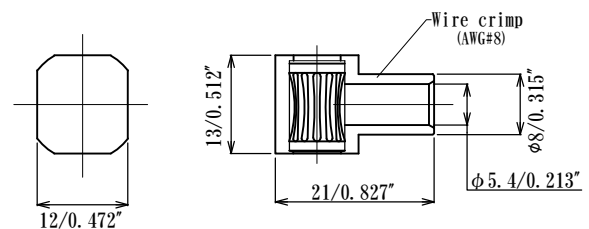

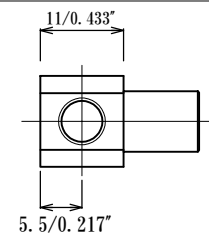

φ6.0mm/0.236" Right Angle Socket

UJ60-RA-L21-CRMP

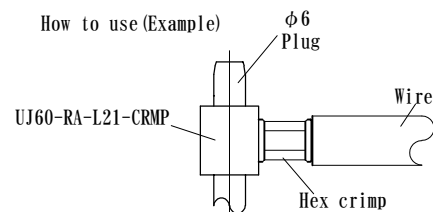

Current Rating : 50A at 25°C

Acceptable plugpin
: φ6.0mm/φ0.236" Dia.

How to use (Example)

Right Angle type, High current Socket with Insulator

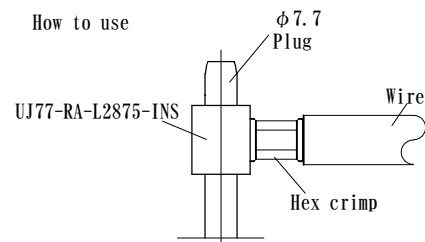

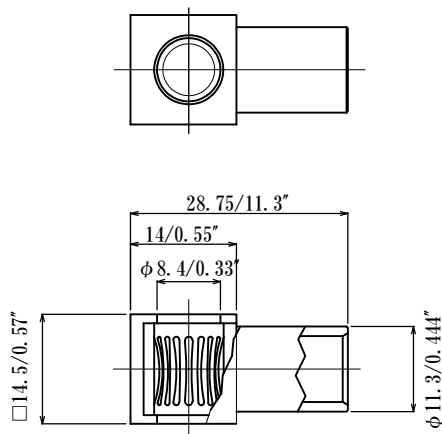

80A

- Socket pin right angle to wire
- Space saving
- Mating/unmating, Circuit exchange

UJ77-RA-L2875-INS

Acceptable plugpin
: $\phi 7.7\text{mm}/\phi 0.303\text{''}$ dia.

Current Rating : DC80A at 25°C

Materials
Socket pin
Louver: Beryllium Copper, Heat treated
Au plating over Ni
Sleeve: Brass, Au plating over Ni
Insulator: High Temp. Thermoplastic
